Mornington Peninsula Shire acknowledges and pays respect to the Bunurong people, the Traditional Custodians of these lands and waters. We are committed to the cultural safety of Aboriginal and Torres Strait Islander peoples, as well as those from culturally and linguistically diverse and LGBTQIA+ backgrounds.

About the Directory

Mornington Peninsula Shire's Community Directory contains listings of the many not-for-profit community organisations, clubs and social services available across the Peninsula.

The Directory is a free resource that you can use to find local groups, clubs and services that can help to support your physical and mental health, social, leisure, sporting and cultural needs.

Whether you're looking to join a group that aligns with your hobbies or special interests, or wanting to find a service provider that offers legal advice or financial support, the Directory is bound to have a community listing that can help you.

Although we do our best to ensure that listings are up to date, please visit our website for the most recent and comprehensive listing information. Organisations, clubs and social services are updated and added to our online Directory throughout the year.

Mornington Peninsula Shire assistance

We deliver around 100 different services to the community. These range from planning our townships and protecting our natural systems, to supporting our local businesses and providing our community with key infrastructure, including local roads, drainage, parks, sporting facilities and community centres.

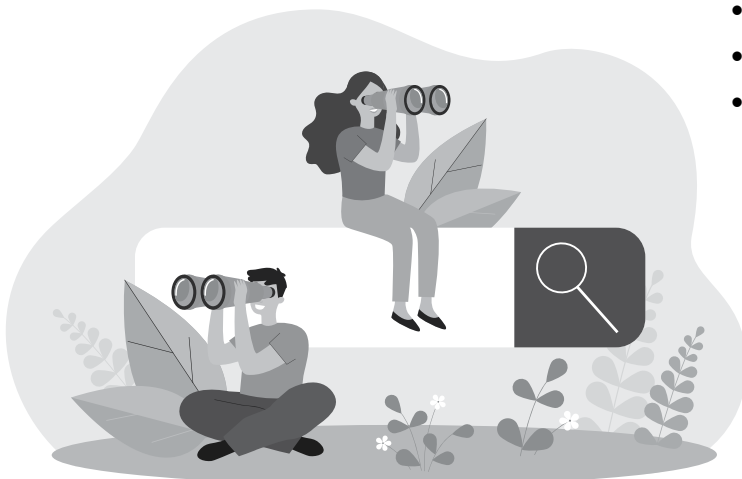

We also offer emergency planning, waste management, traffic regulation, pet registration, and library services. Other services focus on public health and wellbeing, immunisation and direct support to youth, families and over 55s, as well as Aboriginal and Torres Strait Islander peoples. We also run a wide range of community groups and programs that help to foster social connection and inclusion.

You'll find some of our services listed in this Directory. But for more information, you can visit our website or contact one of our Customer Service Centres, Community Support Centres or libraries for assistance.

Mornington Peninsula Youth Services

Our three youth hubs are open on weekdays and during the holidays. Young people aged 10-25 years can drop in to hang out in a safe and inclusive environment, join a program or activity, and get information and referral as needed.

Young people can choose what they want to do: spend time with friends, make meals or art and crafts, play puzzles, games, sports and more!

Parents and carers should know that our youth workers are trained in child safety, youth work and mental health first aid. We provide partial supervision, which means that young people are allowed to come and go from the centres. We encourage parents to set expectations with their children around this. For safety reasons, all carers must register their children's details with us.

Some of our programs:

- Creative Catz
- LGBTIQA+ and allies Skittles Squad

Positive Ageing

on the Mornington Peninsula

The Shire is committed to making sure the Peninsula is a place that our community can live and age well, and stay healthy and connected. In addition to the Seniors Festival and Positive Ageing Community Conversations, our dedicated Positive Ageing Team provide a range of initiatives, including:

- Positive Ageing Newsletter
✉ mornpen.vic.gov.au/positiveageingnewsletter

- Promoting seniors rights and elder abuse awareness
- Peninsula Advisory Committee for Elders (PACE)
- Supporting social participation, including local seniors clubs and groups
- Intergenerational opportunities in partnership with Youth Services and Libraries

- Dementia awareness.

For more information, contact the Positive Ageing Team:

- ☎ 1300 850 600
- ✉ positiveageing@mornpen.vic.gov.au
- ✉ mornpen.vic.gov.au/positive-ageing

The TAC L2P Program matches eligible learner drivers with a vehicle and a volunteer mentor driver to help learners gain driving experience.

Participants also have access to free driving lessons with a professional instructor to help build their skills before getting on the road with their mentor.

With a specific focus on reducing the lives lost on Victoria's roads, the program aims to help young people become safe, confident drivers. It also gives learners the opportunity to interact with positive adult role models.

To find out more and check your eligibility, visit our website, or contact our L2P Coordinator:

- ✉ mornpen.vic.gov.au/L2P
- ☎ 0448 080 527
- ✉ l2p@mornpen.vic.gov.au

Could you be a L2P mentor for 1-2 hours per week?

We provide full training to make sure you're well prepared to mentor a learner driver and understand your role as a supervising driver.

Volunteer locally!

Experience the joy of volunteering

Volunteering can be rewarding and fun. It benefits everyone in the community.

Where can I volunteer?
