All cats and dogs over 3 months of age and being registered for the first time **MUST** be microchipped. This will include any previously registered animals that move to the Mornington Peninsula Shire, from another municipality. **Council is unable to accept registration unless the animal is microchipped.**

In exercising its powers prescribed under Section 10A of the Domestic Animals Act 1994, on 1 September 2022 the Mornington Peninsula Shire published an Order which requires all registered cats within the municipality to be desexed, unless the owner is a member of an applicable organisation, with which the cat is registered. All charges include the government levy - \$4.64 for cats & dogs.

The State Government has made significant amendments to the Domestic Animals Act 1994 in relation to the keeping of 'RESTRICTED BREED DOGS'.

A 'RESTRICTED BREED DOG' means a dog of a breed whose importation into Australia is prohibited under the Customs (Prohibited Imports) Regulations 1956 of the Commonwealth.

These breeds include Dog Argentino, Fila Brasileiro, Japanese Tosa, American Pit Bull Terrier, Pit Bull Terrier, Perro de Pr esa Canario and Presa Canario. A declaration is required stating that the breed of the dog has been correctly identified by the owner.

By lodging this application to register, I declare that all information provided is, to the best of my knowledge, true and correct. If I am registering a dog, I declare it has been correctly indicated on this application as to whether they are, or are not, a restricted breed or has been declared menacing or dangerous.

I understand it is an offence to provide false information and penalties will apply.

I understand that Animal Registration Fees are due and payable 10 April of each year, at which time I am required to pay the registration renewal provided by Council.
