

# Resource Recovery Centres 2026/2027

These fees and charges apply from 1 July 2026. ABN 53 159 890 143

Prices includes EPA Landfill Levy

All Rates are inclusive of GST

Please note that fees and charges have increased due to:

- Significant increase in disposal costs for some materials
- An increase in the State Government landfill levy to \$177.19 per tonne

| Resource Recovery Centres                                               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | Mondays to Fridays                        | Weekends & Public Holidays |

## Sort Your Load

Before your trip to the Resource Recovery Centre, you can save time and money by sorting your load. Gather the same materials together and separate recyclables from non-recyclables so staff can easily identify the 'free' recyclable items. Hidden 'free' recyclables will be charged
